THE ANGELUS

The Angelus is recited daily at 12:00 noon & 6:00pm.

V. The Angel of the Lord declared unto Mary.

R. And she conceived of the Holy Spirit.

Hail Mary...

V. Behold the handmaid of the Lord.

R. Be it done unto me according to thy word.

Hail Mary. . .

V. And the Word was made flesh.

R. And dwelt among us.

Hail Mary. . .

V. Pray for us, O holy Mother of God.

R. That we may be made worthy of the promises of Christ.

Let us pray: Pour forth, we beseech Thee, O Lord, Thy divine grace into our hearts, that we to whom the Incarnation of Christ Thy Son was made known by the message of an angel, may by His Passion and Cross be brought to the glory of His Resurrection. Through the same Christ Our Lord. Amen

NOVEMBER INDULGENCES & REMEMBRANCE GARDEN

For the entire month of November a plenary indulgence may be obtained by:

- Praying for the intentions of the Holy Father, (One Our Father, one Hail Mary and any other prayer)
- Visiting a cemetery at any time during the month.
- Receiving Holy Communion and going to Confessions, as soon as is practically possible.

The November Prayer space at the back of the church during the month of November allows us to place the names of our beloved departed on the Remembrance Tree, and all whose names are placed there will be remembered in our Masses during the month.

Care of Creation/Westport Eco Congregation

COP26 came to a close late on Saturday Nov.13th. Its final document, the *Glasgow Climate Pact*, shows some signs of progress in the global effort to rapidly limit dangerous levels of warming, *but not nearly enough, or fast enough*. The conclusion is very disappointing. Our work is even more important now. The only way the leaders of the world will act with more urgency is if the public continue to pressurise them. *Some reactions to the climate deal agreed at the conclusion of COP26*

"I think today we can say with credibility that we've kept 1.5 (degrees Celsius) within reach. But its pulse is weak, and we will only survive if we keep our promises. (...) History has been made here in Glasgow." **COP26 President Alok Sharma**

"COP26 has made some progress, but nowhere near enough to avoid climate disaster.... Leaders have extended by a year this window of opportunity to avert the worst of the climate crisis. The world urgently needs them to step up more decisively next year" **Mary Robinson**

"This package is not perfect..... but it is real progress and elements of the Glasgow Package are a lifeline for my country. We must not discount the crucial wins covered in this package" **Marshall Islands Climate Envoy Tina Stege**
