PLASTIC FREE JULY:

July is designated as a Plastic Free month – we in Westport Eco Congregation believe that every month is a plastic free month – however this Plastic free July we are thinking about our relationship with plastic. By shopping local and with minimal packaging you are contributing to a brighter future for our future generations. We now know better and it's time to do better. Every plastic bottle and every plastic wrapper you have ever touched is still out there somewhere. We are on track to have more PLASTIC in our oceans than FISH by 2050 – that is a horrific thought. Let's take the challenge to make July PLASTIC FREE.
