THE ANGELUS

The Angelus is recited daily at 12:00 noon & 6:00pm.

V. The Angel of the Lord declared unto Mary.

R. And she conceived of the Holy Spirit.

Hail Mary...

V. Behold the handmaid of the Lord.

R. Be it done unto me according to thy word.

Hail Mary. . .

V. And the Word was made flesh.

R. And dwelt among us.

Hail Mary. . .

V. Pray for us, O holy Mother of God.

R. That we may be made worthy of the promises of Christ.

Let us pray: **Pour forth, we beseech Thee, O Lord, Thy divine grace into our hearts, that we to whom the Incarnation of Christ Thy Son was made known by the message of an angel, may by His Passion and Cross be brought to the glory of His Resurrection. Through the same Christ Our Lord. Amen**

ALPHA – REFOCUS

Alpha has been running in the Parish both online and in person for the last four years; we ask you to consider this:

Starting with Alpha on Tuesday 18th January at 7.45pm, leading into daily guided scriptural reflections throughout Lent, delving deeper into the Triduum via a post-Alpha discipleship programme, **REFOCUS** builds towards a renewed personal encounter with the Spirit of Christ at Pentecost. If you want to chat to someone about Refocus, you can call John on 083 4879542 or email john@alphaireland.org.

This Sunday sees the start of Catholic Schools Week. This is an initiative of the Irish Bishops Conference to annually mark, acknowledge and celebrate the value of the contribution of our Catholic schools to our Community. The rich and inclusive nature of a holistic education which embraces not just the intellectual but personal, social, spiritual and physical development of our young people. Catholic Schools Week will be marked in various ways in our schools in the week ahead. We wish to acknowledge all of our schools, their students, staff and families as an integral part of our parish community. We pray blessing on them in the year ahead.

CARE OF CREATION – WESTPORT ECO CONGREGATION

7 Reasons why we don't need single-use plastic water bottles.

1. Bottles last 450-500 years, whilst the drink lasts only minutes.
2. We have taps with free drinking water in our homes & businesses
3. Recycling facilities are failing capacity on an overwhelming scale.
4. We cannot depend on recycling symbols to solve a broken system.
5. Suffering is being caused to our people, our wildlife, our world.
6. It costs us money that we don't need to spend.
7. The Refill.ie **TAPMAP** will guide you to free water outside of home. www.refill.ie
